

# The Regulations Governing the Establishment of the E. Sun Academic Award of the School of Management at National Central University

Adopted in the 1st School Supervisors Meeting of September 15, 2020 in  
Academic Year 2020

Adopted at the 1st Provisional School Faculty Meeting of October 6, 2020 in Academic Year 2020

Article 1 The School of Management at National Central University (hereinafter, the "SMNCU") hereby formulates the Regulations to raise the excellent academic level of management in Taiwan and to reward the SMNCU's faculty members for publishing research results in top journals in the world.

Article 2 The target recipients of the award are the SMNCU's full-time faculty members whose works are published in the top journals recognized by the SMNCU. The list of top journals recognized by the SMNCU is attached.

Article 3 For the purpose of considering the winner of the E. Sun Academic Award, a review shall be conducted in the SMNCU's School Supervisors Meeting.

Any member of the meeting in charge of this matter who is a nominee shall recuse himself/herself.

Article 4 The award is granted once every academic year. The deadline is October 31 of each year. Only those who have published their works or have completed works accepted to be regularly published in the name of "National Central University" one year prior to the application deadline may apply (non-academic papers such as correspondences, reviews, book reviews, corrections, replies and editorials do not fall within the scope of the award).

This award is only applicable to academic papers published

after September 1, 2020 (including those which have been accepted).

Article 5 The work for which an application is made should meet the following requirements: (1) it should be indicated at the time of publication that the work receives a grant or sponsorship under the E. Sun Academic award; and (2) the work so proposed should not have received a related award at the University or be the same as that received the previous award. In case of violation of such requirement, the prize and medal will be recovered afterwards.

Article 6 Award Criteria

For a work published in a top journal recognized for the E. Sun Academic Award:

1. NT\$1 million will be awarded for each article in case of a single author.
2. NT\$700,000 will be awarded for each article in case of the first author or corresponding author.
3. Others: NT\$500,000 per article.

Article 7 Funding Source

The prize money is donated by E. Sun Bank and the E. Sun Foundation.

Article 8 The application should be accompanied by an application form and the representative work and submitted to the SMNCU office before the date specified in Article 4.

Article 9 For the awardees who have passed the review each year, the E. Sun Academic Award will be conferred after the awardees are submitted to the donors for reference. The awardees shall share their research results publicly. .

Article 10 For matters not governed by the Regulations or in case of any need to change the top journals, changes will be made by

the SMNCU's School Supervisors Meeting, depending on the circumstances of implementation.

Article 11 The Regulations shall be promulgated after being adopted by the SMNCU's School Faculty Meeting, and this shall also apply to any amendments thereto.
